## 8. FOTO

Het is mogelijk een schuifdeur uit te voeren met een eigen digital foto. Houdt u rekening met enig kwaliteitsverlies en/of zichtbare pixels, aangezien de afbeelding aanzienlijk wordt vergroot.

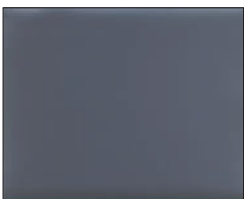

*minimale specificaties:*

*12 megapixels*

*geen digitale zoom*

*kies een foto die scherp en zonder ruis is. Bij vergrotingen van dit formaat is dit extra goed zichtbaar.*
